

Whanganui Resource Recovery Centre Visitor Information

WHANGANUI
RESOURCE
RECOVERY
CENTRE TRUST

Nau mai, haere mai ki te Whanganui Resource Recovery Centre (WRRC).
Welcome to the WRRC we are excited to have you visit and show you around.
The information below is to assist you on your visit and keep you safe while you are here.

What do I need to wear?

Please wear covered in shoes. No jandals, sandals, bare feet or any open toed shoes.
Dress appropriately for the weather, the first part of the tour will be outside so winter - warm clothes and rain protection, summer - sun hats and sun protection.

What are the safety rules?

- You must remain with your group at all times, if you need to use the toilet you must let someone know and have an adult accompany you.
- Be aware of hazards at all times, these will be discussed on arrival, also highlighted on the RAMs form provided to each group prior to visit.
- Wear the safety vest given to you on arrival, to be returned at the end.

What should we bring with us?

Please encourage the tamariki to bring from home some recyclable products that they can sort and recycle at the centre. This provides a great link to home and shows them what they use can be recycled. Alternatively let us know before hand if this is not possible and we will have some ready here for you to use.

Parking

Please park out on the roadside.

Arriving

On arrival the meeting place is directly out the front of the recycling centre on the grass under the trees. You are welcome to gather here and have something to eat and drink before entering the centre. Your tour guide will meet you here at the arranged time and the tour will begin from this point. Larger groups will be split into two groups at this stage.

Toilets

Toilets are located at the back of the education centre and will be pointed out on arrival.

Address:

We are located at 83 Maria Place Extension, next to the Fire Station.

We look forward to your visit, if you have any further questions please do not hesitate to ask.
